

Review of expenditure 2016-2017					
Desired outcome	Chosen action/approach	Impact:	Lessons learned	Cost	£13,725
For pupils not achieving in SATS, to increase their attainment and to make good and higher than expected progress.	Intervention support either in the classroom or through additional small group work.	<p>Maths improvements from scaled score of 98.7 to a standardised score of 105. Increased % from 48% at standard to 68% at expected standard.</p> <p>English improvements from scaled score of 101 to standardised score of 106.3. Increase in % SPAG from 61% to 73% Reading 58% to 66% Writing 55% to 74%</p>	This is an effective intervention. Pupils have to be selected and tracked carefully. The targets must be small and measurable.
