Week 34  
Monday 11th June  
Friday 15th June 2018

### Noticeboard

- Live streaming is the term used to describe the broadcast of a real-time video from a mobile device, tablet or games console. Many live streaming apps have the functionality for interactions from viewers, such as commenting, live chats and sending reactions during the broadcast. Live streaming opens up a world of excitement for children, where they can watch live concerts, their favourite celebrities and bloggers/vloggers, connect with their friends, watch live gaming and much, much more. Whilst there are many positives with live streaming, it creates a worldwide platform for unsuitable content to be streamed and creates a host of dangers for children. Please read the attached information leaflet which has been produced for parents by National Online Safety.
- On Wednesday, a group of 50 pupils will be attending a Festival of Sport event at Ferndown Upper School.
- In French, the focus this week is on the FIFA World Cup, with tutor groups battling in a World Cup themed challenge. KS3 French homework will be to translate into French, the name of every country taking part in the finals in Russia this year.
