

Pocket Money

We suggest £40 is sufficient.

Any money not passed to staff for safe keeping will be the responsibility of the individual child.

No mobile phones or devices that can connect to the Internet are to be taken.

Medicines

All medicines need to be given to the allocated first aider on arrival at school in a labelled bag, with a completed medicine form. This must include any medicine your child might need during the course of the trip.

Consent and Behaviour Forms

Thank you for returning all the paperwork requested.

It is important that this information was received as soon as possible in order to ensure that the needs of all pupils are catered for. This information will be treated in the strictest of confidence. There will be an opportunity for you to inform us of any changes nearer to the departure date.

London Trip
May 2019
