SCHOOL NEWS

Summer Fair – Tuesday 18th June between 3.30 and 4.45

The Summer Fair is fast approaching and we would like to appeal to all parents, guardians and friends of the school to help to make this the biggest and best Fayre yet! We would like to raise as much money as possible to enhance the opportunities available for our children and to enrich the curriculum subjects that the children encounter every day.

Monies raised from the summer Fayre are used to fund an enrichment programme to include activities such as equipment for the daily mile exercise programme, visiting drama productions, Science trips, author visits, Art activities and booking guest speakers.

You can help in many ways including donating prizes, your time or contacts. Further details will be sent out shortly.

After School Clubs

Please note that extra-curricular clubs will run as normal during SATS week. However, there will be **no** clubs running during Project Week.

PROJECT WEEK 20th – 24th May

Preparations for the Project Week trips are being finalised. Please ensure that all consent forms and behaviour contracts are returned as a matter of some urgency as your child will not be able to attend unless these are returned.

Details from the information meetings held this week will be emailed to parents who were unable to attend and will be available on the website under Information/ Trips and Visits.
