### Activities and Live Events in Final Week of Term

Dear Parent/ Carer,

I hope that you are well. It is coming to the end of a very long half term and everyone has worked hard and managed to remain focused despite the challenging times.

To celebrate the hard work as well as providing a change of routine, we are finishing with some live sessions for your child to engage in. During next week online tutor session will be taking place as per the timetable below.

At 12.30pm on Friday 12<sup>th</sup> February, lessons will stop and your child has a choice for the Friday afternoon. To either join Mrs Hartley for a live baking session or to start some of the lockdown activities suggested on the attached sheets below. For the whole school assembly, we would love to have all of the children participating.

All the information and links that your child needs are in the instructions below.

Take care and keep safe,

Mrs G Allen

Headteacher

### About Microsoft Teams

All our live sessions will take place using Microsoft Teams. Your child already has a Microsoft Teams account as part of their Office 365 provision. This can be accessed using the 'Waffle' menu in the top left-hand corner after they have [logged into Office 365](#). If you are using a tablet, you will need to download the Microsoft Teams app. I have attached instructions for logging onto a live session using Microsoft Teams. A webcam will be required for all live sessions.

*Please also take note of the Acceptable Use Policy and instructional documents attached to this e-mail, by joining any live session you agree to follow these guidelines.*
