

Welcome To **SCB**

Miss Brooker

Meet the Teacher

Hello Everyone!

Welcome to 5CB!

I will be your child's tutor. This will be my 3rd year at Ferndown Middle School and second year in year 5.

I love teaching and can't wait to get to know you all!

Classroom Culture

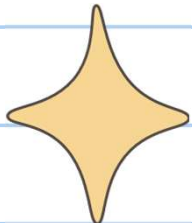

In Our Class

- We are ready to learn
 - We all belong and make everyone feels included by following our school values of kindness, ambition and curiosity.
 - We show kindness and patience to our classmates and ourselves when learning new things.
 - We support and encourage each other.
 - We work together and participate in class activities.
- We have fun!

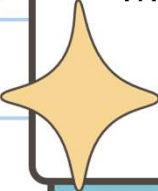

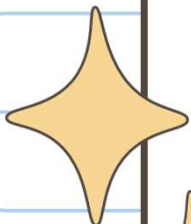

What We Will Learn

History & Geography

We have some exciting topics such as the Ancient Greeks; Mountains, Volcanoes & Earthquakes; The Mayan Civilisation and Migration.

Mathematics & English

We will be focusing on arithmetic skills (addition, subtraction, multiplication and division) as well as place value.

We will be writing stories and non-fiction texts. To begin with, we will explore Greek Myths and have a go at writing our own!

Science

We have a range of exciting science topics in science in Year 5. We will be learning about materials, space, forces and lifecycles.
